

Sociology

Other Items of Interest

Students can satisfy the social analysis core requirement with SOCI 100 or SOCI 110.

MATH 101: Finite Math is sufficient preparation for the major. The department recommends satisfying this requirement during the first year.

Writing Across the Curriculum

- o Writing to Learn (WTL): SOCI 100, depending on the section
- o Writing in the Discipline (WID): SOCI 210 and SOCI 474
- o Writing in the Major (WIM): SOCI 251

Students participating in the HF/GUA process and with a two-credit transferable social science background should see the chair for more information.

See [this document](#) for information on the Honors Program.
